

How will a visit to YMCA Glenhaven Park be of benefit to my students?

When considering a venue for your school camp or excursion, we understand that there are a number of important areas to consider.

You're not looking for a place to go for a day or two with a hastily-assembled program and little relevance to your students. You're seeking a venue that offers a comprehensive, flexible program with genuine educational outcomes; one that delivers a managed environment, full support, value for money and a memorable experience.

Outcomes and curriculum links

Recognising the need for educational relevance, we've consulted with experienced educational professionals to map our programs against SACSA framework outcomes. As a result of this research, we have ensured our individual program elements achieve multiple SACSA strands and outcomes, and should you have specific outcomes you wish to reach in your visit to YMCA Glenhaven Park, we can show you exactly how our program can deliver them. A sample matrix is provided below. Similarly, we can tailor a program that delivers outcomes appropriate for more senior students as well.

Learning Area	Health & Phys. Ed.				Arts			Design & Tech		
Strand	Physical Activity and Participation	Personal and Social Development		Health of Individuals and Communities	Arts Practice			Critiquing	Making	Designing
Camp Activity										
High Ropes	2.1	2.3	2.5	2.7						
Low Ropes	2.1	2.3	2.5	2.7						
Art & Craft					2.2	3.1	3.3	3.1	2.4	2.2

Our programs are also underpinned by the Search Institute's evidence-based Developmental Assets framework, providing opportunities for valuable personal development in students of all ages.

Internal Assets	External Assets
Commitment to learning	Support
Positive values	Empowerment
Social competencies	Boundaries and expectations
Positive identity	Constructive use of time

With these two essential frameworks supporting our programs, we've ensured that students of all ages will grow in body, mind and spirit.

We also offer full or part-programs utilising some or all of our high ropes, low ropes and initiatives courses, so whether you're looking for a complete 'Adventure Learning' experience, or a part-program to reinforce individual learning outcomes like leadership or teamwork, we can deliver a solution to meet your needs.

YMCA Glenhaven Park

Outdoor recreation and camping centre

Safety and credibility

Safety is our number one priority at YMCA Glenhaven Park. All our programs are delivered by experienced, qualified YMCA instructors in a managed environment using industry approved techniques.

We provide all necessary safety equipment such as helmets, harnesses and rope systems, which are professionally maintained and regularly replaced by our staff. Comprehensive instructions are delivered before every activity, and risk assessments have been completed for each element of our activity programs.

Under the management of the YMCA of South Australia, one of the state's leading providers of youth and community services, and accredited by the Australian Camping Association, you can be sure that the Park's facilities, activities and programs are carefully managed and will always promote the positive values you're looking to reinforce in your students.

Support

We're keen to provide the support and flexibility needed to maximize the results from your YMCA Glenhaven Park experience.

For example, one of our Camp Managers can visit you prior to your trip to discuss your requirements in detail, explain what's needed from your side, and provide post-camp support to help you link the experience back into your education program.

Programs at the Park itself also vary in the degree to which your personal involvement is required. If you would like to take a 'hands-on' role in your students' experience, we'll offer the support you need. Alternatively, if you'd like to take a step back and let us manage the majority of the program, we can do that, too.

Value for money

YMCA Glenhaven Park's accommodation, facilities and amenities are comfortable and practical, providing all that's needed to ensure an enjoyable and memorable experience.

The flexible nature of our programs allows you to manage your budget and create an affordable and valuable experience for your students.

The price list in this information pack provides an outline of accommodation and activity rates. Please contact us to find out how we can tailor a package to suit your specific needs.
